#### Background

The Friends of Somerset Churches & Chapels (FSCC) is an independent, non-denominational trust, established since June 1996 to help Somerset churches and chapels with the cost of repairs and maintenance. The Sponsored Ride and Stride has been held since 1997.

#### Get Sponsored

You can cycle, walk, ride on horseback or if you cannot walk or cycle because of age or infirmity you may go by car so long as your sponsors and motor insurers are happy with this. The aim is to raise money and have an enjoyable day out. Get sponsored for an amount per church or chapel visited or for a single amount overall. However you calculate it, enter the total amount sponsored on the form. If you wish, half of the amount you raise can be returned to your own church, chapel or organisation.

#### Gift Aid

FSCC can reclaim 28p for each £1 you donate if the sponsor is a UK tax-payer and fills in the details requested on the form opposite. The whole of the Gift Aid tax refund is retained by the FSCC. Please ensure that the name and address of the sponsor is clearly shown.

#### Instructions to participants

1. Please complete the two boxes below before starting.
2. Choose your own route or take part in one of the publicised routes.
3. Obtain as many sponsors as you can and ask them to enter their details, including Gift Aid Declarations, on the form opposite. If possible ask them to sponsor you on line at our Just Giving website.
4. After the event collect your sponsorship money and hand it, with this form duly completed, to your church/organisation representative or local co-ordinator by the end of October – cheques should be made payable to "FSCC Ride & Stride".

**SAFETY:** 1. Read and follow the Highway Code. 2. Ensure your bike is roadworthy. 3. Ride with care and consideration for others. 4. Remember it might be safer to dismount at junctions and walk across. 5. Ride in single file and wear high visibility clothing. 6. Walk facing on-coming traffic. 7. Parents are responsible for the safety of children in their charge.
